

General Information

- A. A complete application is required at the time of submittal. Please answer all questions on the application clearly and completely.
- B. The City's application form must be used.
- C. A Notice of Complete Application or Notice of Incomplete Application will be issued within twenty-eight (28) days of submittal.

Requirements

I. APPLICATION

- A. The following documents are required at time of submittal, unless otherwise indicated. A complete application will include:
 - 1. Completed Preliminary Short Subdivision Checklist, Land Division Application and Declaration of Agency form
 - 2. Proof of ownership (copy of deed)
 - 3. A set of drawings that contain the following (drawings shall be to scale on an 18" x 24" sheet of paper; multiple sheets may be used to provide clarity):
 - a. Location of the site by section, township, range;
 - b. North arrow and the boundary of the lands being divided or having the boundary adjusted;
 - c. Scale at no less than one-inch equals 100 feet (larges scales such as 1:50, 1:20, and 1:30 are preferred);
 - d. Vicinity map showing the site clearly marked (smaller than 1:100 is acceptable);
 - e. The proposed layout and dimensions of lots and tracts;
 - f. The name of any adjacent subdivisions;
 - g. The approximate location, names and width of all existing and proposed streets, roads, private lanes and access easements within the boundaries of the lands being affected;
 - h. The location of existing and proposed improvements such as storm water facilities, sidewalks, utilities, power poles, etc., within the boundaries of the lands being affected and adjacent lots;
 - i. All existing and/or proposed easements or divisions proposed to be dedicated for any public purpose or for the common use of the property owners of the lands being subdivided;
 - j. A full and correct description of the lands being divided or having the lot lines adjusted;
 - k. Approximate location of existing structures and other improvements located on the site and whether such structures are proposed to remain on the property;
 - l. Shorelines, streams, wetlands, wildlife habitat conservation areas, and geologically hazardous areas as defined in Chapter 16.50 MMC, Critical Areas, and the shoreline master program;
 - m. Topographical information showing existing contour lines at intervals of two feet elevation;

- B. Title report issued within 30 days of application, showing all persons having an ownership interest, a legal description describing exterior boundary of application site and listing all encumbrances affecting the site.
- C. State Environmental Policy Act (SEPA) checklist (if applicable)
- D. Water and sewer availability from City of Bellevue utilities
- E. Perimeter lot closures for all lots, tract, and the exterior boundary
- F. A word document formatted to Avery address labels containing the names of property owners and their mailing addresses for all properties within 300 feet or three (3) parcels depth, whichever distance is greater but not to exceed 1,000 feet. See mailing labels information bulletin for further information.
 - 1. Vicinity map showing the site with the 300' or three (3) parcels depth minimum buffer of property owners who will be notified of the application.
- G. Any related information and/or studies (including but not limited to storm drainage report and critical areas report) required by other provisions of the Medina Municipal Code, identified in the preapplication meeting, or deemed necessary by the director

Procedure

II. PRELIMINARY SHORT SUBDIVISION PROCESS

- A. Please submit the items listed above and any other information which may be required by the City at the time the application is filed.
- B. Following receipt of the Preliminary Short Subdivision Application, the City will review the application for completeness and either issue a Notice of Application which includes a public commenting period outlined in MMC 16.80.110(B)(7) or a Notice of Incomplete Application, listing the additional required documentation. Any comments that are received by the public will be forwarded to the applicant for response.
- C. Staff will make a preliminary review to verify all information and identify corrections. Once all corrections have been made, the applicant will submit a final drawing (Mylar not required) with the property owner(s) signature(s). Original signatures are required. Once the appropriate city approval signatures are secured, the applicant will record the document with King County. The City requires one recorded copy.

III. CRITERIA FOR APPROVAL

- A. Before a preliminary short subdivision may be granted, the Director or Designee shall find that all of the following conditions exist:
 - 1. The proposal is in conformance with the comprehensive plan, shoreline master program, and any other city-adopted plans; and

2. Provisions have been made for water, storm drainage, erosion control and sanitary sewage disposal for the subdivision that are consistent with current standards and plans as adopted in city code or ordinance; and
3. Provisions have been made for roads, utilities, street lighting, street trees and other improvements that are consistent with the zoning code, Chapter 16.90 MMC, and engineering standards; and
4. Provisions have been made for dedications, easements and reservations; and
5. The proposal complies with the relevant requirements of the zoning code and all other relevant local regulations; and
6. Appropriate provisions are made for:
 - a. The public health, safety, and general welfare and for such open spaces, drainage ways, streets or roads, alleys or other public ways, transit stops, potable water supplies, sanitary wastes, parks and recreation, playgrounds, schools and school grounds and all other relevant facts, including sidewalks and other planning features that assure safe walking conditions for students who only walk to and from school; and
 - b. The public use and interest will be served by the platting of such subdivision and dedication.
